PRIVATE – PUBLIC PARTNERSHIP

The Hawaii Housing Finance and Development Corporation (HHFDC) has approved ILILANI, LLC, as an Eligible Developer (the, “Developer”) to construct and sell the units in the Ililani, For Sale Housing Project (the, “Project”). The Project is comprised of 328 units (165 affordable and 163 market priced). The affordable units are the subject of this Information Packet and include HHFDC’s for sale and use requirements in accordance with Chapter 201H, Hawaii Revised Statutes (HRS), related Hawaii Administrative Rules, and current HHFDC policies (the, “HHFDC Requirements”).

OVERVIEW OF HHFDC'S AFFORDABLE SALES PROGRAM

PART 1 – REQUIREMENTS TO PURCHASE

A. Eligibility and Income Requirements

- A.1 Persons interested in purchasing an affordable dwelling unit developed in partnership with the HHFDC must be a “Qualified Resident”¹ **and** demonstrate a need for affordable housing (the, “Eligibility Requirements”) in accordance with HHFDC Requirements.
- A.2 **What is a “Qualified Resident”?** A person who:
- a. is a citizen of the United States or a permanent resident alien;
 - b. is at least eighteen years of age;
 - c. is a legal resident of the State of Hawaii who now physically resides in the State of Hawaii and shall physically reside in the unit purchased;
 - d. does not own either by the person’s self, person’s spouse, household member, or together with a spouse (unless separated and living apart under a decree from a court of competent jurisdiction) or household member, (1) a majority* interest in fee simple and/or leasehold lands suitable for dwelling purposes; or a majority* interest in lands under any trust agreement or other fiduciary arrangement in which another person holds legal title to such land – anywhere in the world; and
 - e. Has a gross income¹ sufficient to qualify for the loan to finance the purchase.
- A.3 **What does it mean to demonstrate a need for affordable housing?** HHFDC, in its sole and absolute discretion will consider the following as ‘demonstrating a need for affordable housing’.
- a. Household income and number of dependents.

A person’s “Total Household Income”¹ must not exceed the income limits for the person’s total household size, as established for the project. Refer to Appendix 1.
 - b. Physical disabilities of an applicant or those living or intend to live with the applicant.
 - c. Whether or not the present housing is below standard.
 - d. Whether or not the applicant’s need for housing has arisen due to displacement by governmental action; and
 - e. Other pertinent factors, including but not limited to the following.
 - 1) Previous purchase/ownership and sale of a home developed or sponsored by a government agency, such as the Hawaii Housing Authority, Housing Finance and Development Corporation, Hawaii Housing Finance and Development Corporation or any County under HRS Chapters 359G, 201E, 201G or 201H; **except however**, that HHFDC may, on an individual basis, allow a person who had previously purchased a government developed or sponsored home to reapply under certain circumstances. Refer to the Project Application Packet.
 - 2) Applicant has not entered into a binding agreement to purchase an affordable unit developed under the HHFDC or other government sponsored affordable housing program (i.e. HCDA, County Agency).
 - 3) Applicant is approved to purchase a government sponsored affordable unit in another project and **will not** enter into an agreement to purchase the other affordable unit within (7) months of applying for this project .

¹ Refer to Appendix 1 for definitions of Commonly Used Terms used with HHFDC’s Affordable Sales Program.

* Applicant and/or any of the household members determined to have circumvented the rules of homeownership shall be automatically disqualified from participating in the project and future HHFDC projects.

A.4 **The following are a few examples of NOT having a need for affordable housing.** This list is not all-encompassing. When determining the need, each application will be evaluated based on the overall mission of the agency, intent of the program and insuring the integrity of the agency's affordable for-sale program.

- a. Property Ownership. Applicant and/or any household member currently owns real property and occupies said real property as their principal residence; applicant divests interest in the real property during the application period (cause for automatic disqualification from the project and future HHFDC projects); applicant's real estate assets exceed the cost of the lowest priced unit in the project according to applicant's household size.
- b. Income. Applicant does not have income **or** is financially dependent on someone other than self; Applicant's total household income according to total household size exceeds the household income limit for the project.
- c. Prior purchase in a government sponsored project. Applicant, spouse, co-applicant, co-applicant spouse and/or other household member previously purchased and sold a home developed or sponsored by a government agency (state, county, federal) and the sponsoring agency did not repurchase the unit.
- d. Applicant has entered into a binding agreement to purchase an affordable unit developed under the HHFDC or another government sponsored affordable housing program (i.e. HCDA, County agency).
- e. Applicant will enter into an agreement/contract to purchase another government sponsored affordable unit within (7) months of applying for this project.

A.5 **Ineligible Applicants; Spousal Exception.**

Persons who **DO NOT meet** HHFDC's Eligibility Requirements are unable to participate in the project to purchase an affordable unit; but may elect to purchase a market-priced unit, if available. Contact the Sales Team for information.

- a. Spousal Exception. If Applicant's spouse does not meet the HHFDC Eligibility Requirements, spouse will not be an Eligible Purchaser and cannot be a buyer or on title to the property. However, spouse shall be counted as part of the Total Household Size¹ and shall also abide by the HHFDC use, sale, transfer and shared appreciation equity obligation requirements, such as owner occupancy.

A.6 **Eligible Purchaser Requirements.**

Persons who are deemed to meet HHFDC's Eligibility Requirements as evidenced by submission of a Complete Application Packet, shall be approved as an "Eligible Purchaser"¹.

- a. Eligible Purchasers must maintain said Eligibility Requirements from date of HHFDC's approval letter through the close of sale, if contracted to purchase.
 - 1) **Exception is made ONLY in the case of income which is determined at the time of application only; unless a change occurs to the applicant's original application, then income will be reviewed based on current income guidelines.**
 - 2) Applicant will be required to sign an affidavit confirming continued eligibility (Eligibility Requirement Affidavit) as part of the sales contract and closing process.
 - 3) HHFDC reserves the right to request the applicant update their application if purchase has not closed; upon 180 days prior to closing; and/or when requested by HHFDC in its sole discretion.
- b. Only Eligible Purchasers can hold title to the property. Persons expecting to be on title to the property must be approved by HHFDC as an Eligible Purchaser.

¹ Refer to Appendix 1 for definitions of Commonly Used Terms used with HHFDC's Affordable Sales Program.

- c. Applicant must notify HHFDC in writing, through the Broker of **ANY** changes to their submitted application, such as contact information, household size, marital status etc.
 - 1) Any requested changes by the applicant during the HHFDC application review period shall be reviewed and applied, as applicable after the unit selection event is completed.
 - 2) At any time during the application, contract and closing process, should applicant fail to timely inform HHFDC, in writing of any changes affecting applicant's eligibility, applicant may be deemed ineligible to purchase.
 - 3) Applicant/buyer shall be responsible for any incurred costs resulting from HHFDC's determination of ineligibility.

B. Application Form

- B.1 Persons interested in purchasing a unit in this project must submit a completed application form. Refer to the Application Packet for instructions and requirements.
- B.2 Applications submitted to the Sales Team before the application deadline date may be included in Part 2 outlined herein.
- B.3 Applications submitted to the Sales Team after the deadline date will be processed as a back-up list applicant.
- B.4 Information listed on the application form will be entered into a project database monitored by HHFDC for tracking and reporting purposes.

❖ **IMPORTANT.** Persons found to make any false statements knowingly in connection with HHFDC's application shall constitute perjury and is a crime punishable under the provisions of the Hawaii Penal Code; **and** is cause for automatic disqualification of the applicant from purchasing in the project and future projects; including owner occupant market units within the same project. HHFDC will take necessary steps provided under the law to insure the integrity of its program.

C. APPLICATION REVIEW BY THE HHFDC

- C.1 All applications **received prior to the Application Deadline date** will be reviewed by the HHFDC before starting Part 2 explained herein.
- C.2 **NOTICE OF ELIGIBILITY APPROVAL or DISAPPROVAL**
 - a. Applicants will be notified of their application status in writing, after the application deadline date and upon review and determination by the HHFDC. Refer to the Application Packet for the project application deadline date.
 - b. **If approved**, applicant will be deemed an eligible purchaser and will be provided with detailed information of the next steps activities listed in Part 2.
 - 1) Advance information of the next steps listed in Part 2 **will not** be available or provided until after all applications received before the application deadline date are completely processed by the HHFDC.
 - 2) To avoid delay with receiving your information, keep your address current. Applicant shall be responsible for providing and maintaining current mailing address with the Sales Team and the HHFDC.
 - c. **If disapproved**, applicant will be deemed ineligible to purchase and reasons for ineligibility will be provided in writing.
 - 1) If applicant disagrees with HHFDC's determination of ineligibility, applicant may submit a written request for reconsideration within ten (10) days of the date of HHFDC's written notice **and must** include supporting documentation to support its position of eligibility.
 - 2) If a response is not received within the specified time, HHFDC's determination shall be final.
 - 3) Applicant's appeal letter with supporting documents will be processed after the initial unit selection event is completed. HHFDC requires a minimum

of (14) days to review applicant's appeal.

- 4) If reconsideration is approved, applicant will be placed at the end of the Eligible Purchaser list, but before the back-up list applicants.
- d. **Incomplete Applications.** Applications determined by the HHFDC to be incomplete shall automatically be deemed ineligible.
 - 1) Applicants who wish to re-apply must submit a new application together with all required documents to the Broker and shall be placed in order of receipt on the project back up list.
- e. **Circumvention of HHFDC Program Rules.** Applicant and/or any of the household members determined to have circumvented HHFDC's program rules shall be automatically disqualified from participating in the project and future projects.

PART 2 –PROCESS FOR UNIT SELECTION

❖This part only applies to applications received prior to the project deadline date.

A. PRIORITY GROUP

- A.1 Based on HHFDC's review of the submitted, completed application packet and supporting documents, HHFDC, in its sole discretion, will assign the Eligible Purchaser to a priority group established for the project.
- A.2 Any discrepancies brought to the attention of the HHFDC by the applicant, will be reviewed after the unit selection.
- A.3 If applicable, changes to applicant's assigned priority group shall be determined in HHFDC's sole and absolute discretion, upon receipt of additional supporting documents, as may be requested.

B. PUBLIC DRAWING

- B.1 A public drawing (lottery) is required for all HHFDC sponsored affordable sales developments. Further details of the step-by-step process will be provided by HHFDC to Eligible Purchasers with the (application) approval letter.

C. UNIT SELECTION

- C.1 Developer through its Broker, will notify all Eligible Purchasers of their Property Selection Number (PSN). The PSN determines unit selection order. Details of how the PSN is determined will be provided by HHFDC to Eligible Purchasers with the (application) approval letter

D. PURCHASE CONTRACT SIGNING

- D.1 Developer, through its Broker will notify Eligible Purchasers in writing, of the contract signing event (i.e. date, time, location, process) and requirements to sign the sales contract, such as a mortgage pre-approval letter, unit selection preference worksheet and initial deposit payment.

PART 3 – CLOSING PROCESS

A. PRE-CLOSING

Prior to closing, buyer will be notified by Developer/Broker, in writing, of the closing process and the anticipated closing date.

- A.1 Homeownership Counseling Class. Before closing can occur, buyer must complete the Homeownership Counseling course as required by the terms and conditions of the sales contract, regardless if buyer has already taken a similar class. Buyer will be required to complete the class as provided in part by a U.S. Department of Housing and Urban Development (HUD) approved housing Counseling Agency and must receive a completion certificate as evidence of completing such requirement.

Failure to complete the class may result in closing delays, additional fees due to delays, and/or cancellation of the sales contract.

- A.2 Eligibility Update. Within approximately (180) days of developer's estimated conveyance of the property to the buyer (recordation of sale), HHFDC, in its sole and absolute discretion, may require buyer's confirmation of their continued eligibility to purchase a unit, by completing and submitting an updated application to the HHFDC. Buyers may be notified in writing of this requirement by the sales team or HHFDC. If buyers do not respond within the specified timeframe, buyer's status of continued eligibility may be cause for delay of the close of sale or ineligibility to purchase, solely determined by the HHFDC.

B. CLOSE OF SALE / RECORDED TRANSFER OF OWNERSHIP

- B.1 Upon closing, escrow will provide buyer with a copy of buyer's closing statement (itemized costs of the transaction) and a certified, recorded copy of the property deed document. Developer will also cause the project management company to arrange for unit key pickup and move-in.
- B.2 **Buyer is encouraged to retain copies of all sales and closing documents, such as the closing statement for tax purposes, if applicable; and the recorded deed for files, future reference and compliance with the HHFDC programs and other provisions which may still be applicable after close of the sale.**

APPENDIX 1-A

HHFDC Restriction Programs – Applicable to all Affordable Units

1. HHFDC imposes 2 separate restrictions on all affordable properties developed or sold in accordance with HHFDC Requirements. These restrictions will encumber the property as deed restrictions.

A. HHFDC's Use, Sales and Transfer Restriction (commonly referred to as "Buyback Program")

For a period of 10-years from the date of recordation,

1. The unit shall be owner-occupied by the purchaser at all times;
2. HHFDC has the first-right-of-refusal to repurchase the property if the homeowner cannot be an owner occupant as required, wishes to sell, and/or transfers the property. In the event HHFDC exercises its option to repurchase the property from the homeowner, the **repurchase price shall not exceed the sum of:**
 - (a) The original cost to the purchaser;
 - (b) The cost of any improvements added by the purchaser;
 - (c) Simple interest on the original cost and capital improvements to the purchaser at the rate of one (1) percent per year; and
 - (d) The amount, if any, previously paid by the purchaser to the HHFDC as the HHFDC's share of net appreciation in the real property.
3. If HHFDC waives its first option to repurchase, a qualified non-profit housing trust shall have the option to purchase the real property at a price established by the HHFDC.
4. Future refinancing of the property during the buyback period is limited where additional financing cannot exceed the above repurchase price.
5. HHFDC's prior written consent is required whenever change in ownership title occurs or the property is used as security (a lien is created on the property).

B. Shared Appreciation Equity Agreement (commonly referred to as "SAE Program").

The SAE Program gives the buyer an opportunity to purchase a below-market priced unit and in return the buyer agrees to share the property's future net appreciation with the State. The purpose of the SAE Program is to preserve and recover a fair return on the State's resources upon resale, transfer, rental or non-occupancy of the property as buyer's principal residence. The revenues received from this program will be used to fund additional affordable housing projects for the residents of Hawaii.

From the date the buyer's deed is recorded and buyer becomes the owner,

1. HHFDC's SAE Program is applicable to the owner and encumbers the property purchased. The SAE Program is a percentage sharing of the net appreciation in the property between the HHFDC and the owner of the affordable unit.
2. The SAE Program shall be effective until the SAE Program agreement is released by the HHFDC. HHFDC will release the SAE Program agreement when HHFDC receives its share of the net appreciation in the property.
3. HHFDC's SAE Program is due and payable when owner sells, transfers, rents any part of the property, or no longer physically resides in the property as owner's principal residence.
4. Future refinancing is limited; the total liens and encumbrances, which includes mortgages, secured by the property cannot exceed 80% of the sum of the buyer's share of appreciation in the property plus the original sales price.
5. HHFDC's prior written consent is required whenever change in ownership title occurs or the property is used as security (a lien is created on the property).

- ❖ **IMPORTANT.** Full detailed disclosure and summary of the terms and conditions of the program shall be made as a part of purchase contract signing. Prior to closing, the SAE shares will be determined and provided to buyer for review and acceptance. Detailed information of owner's obligations under each program shall also be included with the unit deed.

2. Brief hi-lites of HHFDC's programs are listed below. Additional information may also be found on **HHFDC's website at <http://dbedt.hawaii.gov/hhfdc/fag/>. Click on "Buyback and SAE Programs".**

- There are certain limitations when refinancing under the SAE program.
- SAE percent shares are determined prior to closing and once the deed is recorded, will not change.
- Sample calculation of how the percentages are determined **and** how to calculate the payoff is provided in the contract exhibit
- The SAE program may be extended by owner with HHFDC prior written approval, when circumstances requiring a temporary absence from being an owner occupant is granted by HHFDC and after owner completes all of HHFDC requirements

- ❖ **IMPORTANT.** Once the unit buyer becomes the owner of the purchased unit – which occurs when Developer transfers ownership title to the buyer as evidenced by recording a deed at the Bureau of Conveyances, State of Hawaii – a written request to pay off the SAE may be submitted to the HHFDC by fax or mail (only). *HHFDC will not accept any advance requests prior to that time. Requests received prior to the unit deed recording will be deemed invalid and discarded.*
